DETAILED OFFICE ACTION

Faxing of Responses to Office Actions

In order to reduce pendency and avoid potential delays, TC 3700 is encouraging FAXing or responses to Office Actions directly into the Group at (571) 273-8300. This practice may be used for filing papers, which require a fee by applicants who authorize charges to a PTO deposit account. Please identify the examiner and art unit at the top of your cover sheet. Papers submitted via FAX into TC 3700 will be promptly forwarded to the examiner.

1. Claim 1 has been amended for further examination. Claims 2, 8, and 12 have been canceled.

Allowable Subject Matter

2. Claims 1, 3-7, 9-11 and 13-21 are allowed.
3. The following is a statement of reasons for the indication of allowable subject matter: No prior art of record discloses or fairly suggests a paper fastener comprising: a

paper fastener having a base with two ends; wherein each end has a leg extended therefrom; wherein the leg is foldable relative to the base; a sheath or prong cover comprising an extension and having a cavity and shaped to slideable engage and receive one of the legs; at least one foldable guide tab depending from the extension, wherein the tab has a flange bent relative to the guide tab to form a recess between the flange and the guide tab; and including all of the other limitations of the independent claims. This novel feature of applicant's invention is shown in Fig. 3A and 3B.

Huene et al is the closest reference similar to applicant's invention. However, Huene et al does not disclose a foldable guide tab depending from the extension having a flange to form a recess.
